

Resolution in support of the Maury Loontjens Memorial Library

Be it resolved that the Cranston Public Library Board of Trustees, recognizing the intrinsic and deeply American value of public libraries as institutions of democracy and lifelong learning, gives their full support to the Board of Trustees, Director, staff, and patrons of the Maury Loontjens Memorial Library in their effort to secure all library funding necessary from the Town of Narragansett. In addition, the Board wholeheartedly supports the effort to move the library into the new and improved location that was supported by 68% of Narragansett voters in a bond referendum in 2016.

Passed by the Cranston Public Library Board of Trustees on June 12, 2019
