The Auburn Public Library Association
founded the Auburn Public Library in 1888.

ITS MISSION:

To help provide Auburn Branch with
materials and equipment that cannot be paid for
with tax dollars it receives.

We all know how important the library is, with
its array of books, e-books,
magazines, CDs, DVDs, computers and
programs etc., all shared in a well-lighted, warm
and welcoming space: **FOR FREE.**

But in this economy, Auburn needs your
assistance to keep offering these things. In a
real community everyone helps, and every little
helps, so please join.

There is **no commitment**; just show
you care, whatever level you can afford.
